

Talent Management Strategies: Navigating the Great Resignation, The Great Reset, The Great Reorganization and The Great Retention

Description:

Recruiting in today's labor market is more challenging than ever! You are faced with the simultaneous pressures of effectively finding, recruiting and onboarding top talent, while ensuring existing employees are happy and prospering. This is likely putting a squeeze on your organizations resources and now combine that with returning to the workplace and it's a perfect talent storm.

Join us, as our panel of talent experts discuss factors fueling the ever-changing talent landscape. You will learn thoughtful insights and strategies from senior leaders and their peers, such as:

- Using your organization's data to be agile
- Fostering a flexible work culture
- The role of learning in productivity and engagement
- Talent acquisition and retention strategies

Rounding out this session will be an introduction to a comprehensive line-up of talent solutions that support every stage of your company's talent journey, from acquisition to development to engagement.
